Who's Waking Up Country?

Country Aircheck dug into **Nielsen's** November PPM releases to see which Country morning shows are waking up the most people. With morning drive clearance on 16 stations in PPM markets, it's no surprise that the total come for *The Bobby Bones Show* puts him in a commanding lead, with a weekly reach of more than 1.3 million. His largest individual market come is in Washington, DC, where *Bones* reaches 182,200 on iHeartMedia **WMZQ**. The largest local show belongs to Audacy **WUSN/Chicago**; **Melissa McGurren** and **Austin Huff's** six-month-old show reaches a quarter of a million people every week.

The next two spots are occupied by Cumulus' Dallas properties. The *Wake Up With The Wolf* show on **KPLX** with **Brian Moote** and **Tara Ward** also clears the quarter million mark for third place, just 2,600 listeners ahead of **Mark "Hawkeye" Louis** and **Michelle Rodriguez**, who are down the hall at **KSCS**. The *Q Morning Zoo* on Cox **KKBQ/Houston**
