CRB-CA Awards Finalists
Finalists for the first annual Country Radio Broadcasters/Country Aircheck Awards have been released and appear on page 7. The finalists in 28 categories in the radio and record industries were culled from nominations made by the country industry via the internet over eight weeks at the end of last year. Voting for the winners begins Wednesday morning (1/6) at CRBawards.com and runs through Feb. 5. The awards will be presented during CRS 2010’s “New Faces of Country Music Show” Feb. 26, 2010.

Show Dog-Universal Staff Finalized
The official Show Dog-Universal staff list has been released, with only a few new revelations from what Country Aircheck began reporting within hours of the merger (CAT 12/18, CAW 12/29). Notably, Teddi Bonadies will serve as VP/Strategic Marketing & Promotion, reporting to GM George Nunes. Elsewhere, PJ Olsen remains as Dir./Research & Information Systems; Cliff Audretch, III is Sr. Dir./A&R & Staff Producer; Carie Long is Sr. Dir./A&R Operations; Macy Morgenthaler is A&R Coord.; Sloane Cavitt is Mgr./Sales, Mktg. & New Media; and Natalie Moore is Mgr./Artist Development & Creative Services. Contact info for all staff remains unchanged (@showdogmail.com and @umusic.com addresses are still in effect, as are previous phone numbers) and no roster changes have been made.

Gwen Foster To Treehouse
Former KMLE/Phoenix MD/middayer Gwen Foster is the newest addition to the Treehouse promotion staff. “I have been after Gwen for quite awhile now,” says VP/Promotion Tony Benken. “She has passion for the format, for radio and for Blaine Larsen.” Foster exited the station back in October after 19 years in the market and two at KMLE (CAT 10/6). Based in Phoenix, her territory includes California, Arizona, New Mexico, Louisiana, Texas and southern Oklahoma. Contact her at 480-495-2209 or at gwen@treehouserecords.us.

Radio News

• KCYY/San Antonio morning teamers Kris Winston and Alyce Ian aired their last show Dec. 31 after a decade with the station. Parttimer Jay Quintero is covering the airshift. A replacement is expected to be named later this week.
• KEZE/Spokane swapped frequencies and call letters with sister AAA KXLY last week (1/1). Coyote Country KXLY can now be heard on 99.9. The station’s contacts and mailing address remain the same.
• Kaleidoscope Media’s Shelly Mullins has been named Marketing Dir. for Cumulus/Nashville’s five-stations cluster, which includes Country WSM-FM. Concurrently, Jane Crossman transitions into a fulltime Webmaster post. Mullins can be reached at 615-312-3529 or at shelly.mullins@cumulus.com.
• Connoisseur Media’s Classic Rock KRKX/Billings, MT flipped to Country Jan. 1. The new K-Sky kicked off with 10,000 songs in a row, as the airstaff is still being put in place. Jack Seymour is the station’s PD and will most likely cover afternoons. He is also accepting airchecks and resumes at jsseymour@connoisseurmedia.com or via snail mail at 2075 Central Ave., Billings, MT 59102.
• Country KJCS/Lufkin-Nacogdoches, TX has been off the air since Dec. 7, when owner Bill Vance applied to the FCC to go dark, apparently following a dispute with former LMA operator and local cluster owner Yates Media.

My Tunes: Music That Shaped My Life

Arista/Nashville Dir./Nat’l Promotion Lesly Tyson discusses her most important songs, artists or concerts:

1. Rolling Stones, Steel Wheels Tour, Birmingham’s Legion Field: I was in high school and this was my first Stones show. My eyes were opened in a whole new way.

2. Coldplay, Rush of Blood To The Head: This is one of my all-time favorite albums, my first album launch in promotion, and one of the best tours I have worked. It was very tough working these songs at pop radio because so many people didn’t “get” them. Seeing their success now is incredible.

3. George Strait, Alamodome, 1997: I had never before or have since heard a sound like when the lights went down and the crowd started screaming. It was my first George show, and I could actually feel the crowd from the side of the stage. I will never forget it.

4. Brad Paisley/Mud On The Tires: My first No. 1 record in Country. All No. 1 records are special, but your first is unforgettable.

5. Frank Sinatra/Please Be Kind: It was the first song Ben and I danced to at our wedding reception. It truly was the most wonderful night of my life.

• A highly regarded song or album you’ve never heard: Lil Wayne, The Carter III.
• An “important” piece of music you just don’t get: Phish!
• An album you played or listened to incessantly: I had the vinyl of Michael Jackson’s Thriller and listened to it on my turntable (front and back) every day after school. I listened to Tim McGraw’s Everywhere on repeat for a year. That tour was the beginning of my career and a turning point in my life.
• One obscure or non-country song everyone should listen to right now: “Djobi, Djoba” by the Gipsy Kings. You cannot help but be put in an instant good mood by this band. When you need to feel like you are on vacation, play this one.

• Country Music DJ and Radio Hall of Famer Big John Trimble can be heard discussing his autobiography *Golden Voice: The Autobiography of Halls of Fame Radio Renegade and Legendary Personality* on Bill Clade’s TheBibleMechanic this Wednesday (1/6).

**Miller, Geiger To Consult**

Radio vets Chip Miller (Capstar, Clear Channel, Citadel, CBS, Southern Star) and Chuck Geiger (Capstar, Citadel, Clear Channel) have formed *New Generation Programming* offering consulting in the Country, AC, Classic Rock/Hits and CHR formats. Check the website at www.newgenprogramming.com or contact them at chip@newgenprogramming.com or chuck@newgenprogramming.com.

**Ratings Reminder**

Stations participating in the Winter ‘10 Arbitron need to complete and return their Station Name Preview packet to ensure their own station names are being recorded properly and to review information of other stations to identify those which may not be using their identifier according to guidelines. Although name changes will be accepted through March 31, information only becomes effective when Arbitron receives it.

What’s Up, Doc? When WWKA/Orlando morning co-host Doc (l) spotted former NFL quarterback Doug Flutie in the next box at the Capitol One Bowl New Year's Day, he was determined to get an autograph. Doc got past security by flashing his business card and Flutie, who is actually a Doc & Grace show listener, graciously posed for his only pic from the evening.

It’s been tough going the past four days. But when I get down, I just think about the kids at Monroe Harding, and all the kids like them around the country who may really be facing homelessness once they are too old for foster care.” Wayne has already received gifts for the cause, beginning with a $50,000 donation from his home label Valory.
